2						Webber	Binax Now	Curative	Healthcare Provider		
3	Symptomatic*	Vaccinated	All	Required	Onset of Symptoms	U-Ship/G-Ship only. Must completed screening.	Not an option	Kiosk	By appointment	N/A	
4		Non-vaccinated	All	Required	Onset of Symptoms	U-Ship/G-Ship only. Must completed screening.	Not an option	Kiosk	By appointment	N/A	
5	Procedures: If student reports one or more COVID-19 symptom(s)* on the daily wellness survey, they will receive a call from the COVID-19 Resource Team, confirming their symptoms and determining the appropriate testing site option. Note: Students with UShip or GShip insurance are eligible for on-site testing, based on phone appointment triage results and an appointment is required. Students with other insurances are required to be tested off-site. All symptomatic students (regardless of remote/on-campus status) are required to complete a test. For Curative and healthcare provider tests, students need to upload their results via the student portal. Those who test positive will quarantine for 10 days, unless otherwise directed by their health care provider or Student Health Services.										
6	Asymptomatic	Vaccinated (Not Living On-Campus)	All	Strongly Recommended	2x/month via BinaxNOW	0	Initial test and then re-test in 36 hours	N/A	N/A	1,300

10		Non-Vaccinated	Student Athletes in competition	Per NCAA guidance	Per NCAA guidance	TBD	0	TBD	TBD	TBD	
11	Exposure*****	Vaccinated	All	Required	Day 5 or later	U-Ship/G-Ship only. Must completed screening.	0	By appointment/same day option	By appointment	N/A	
12		Non-vaccinated	All	Required	Day 5 or later	U-Ship/G-Ship only. Must completed screening.	0	By appointment/same day option	By appointment	N/A	
13	*As defined by the CDC, symptoms include but are not limited to fever or chills, cough, shortness of breath or difficulty breathing, new loss of taste of smell, fatigue, muscle or body aches, headache, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea. Individuals with any new COVID-19 symptom(s), which have not been diagnosed as part of an ongoing medical condition should be tested. (policy needed to require testing prior to returning to school)										
14	** If the student has tested positive within the last 90 days, testing will resume on day 91. Per CDC, County, and State guidance.										
15	*** Testing process is currently in review and numbers will be updated once finalized										
16	**** 10% Random Sample Testing process and schedule forthcoming.										
17	***** Exposure is defined as if you have been within 6 feet of a COVID-19 infected person for a cumulative total of 15 minutes or more over a 24-hour period starting from two days before illness onset (of for an asymptomatic individual, two days prior to the test specimen collection) until the time the individual is isolated. An infected person can spread SARS-CoV-2 starting from 2 days before they have any symptoms (or, for asymptomatic patients, 2 days before the positive specimen collection date), until they meet criteria for discontinuing home isolation.; OR if you have had direct physical contact, including unprotected contact, with bodily fluids and/or secretions (e.g. being coughed or sneezed on, sharing utensils, or drinking out of the same container); OR if you have provided care for a COVID-19 positive person without wearing personal protective equipment. Cloth face coverings are not considered personal protective equipment.
